

PROPOSED TEMPORARY CLOSURE OF THE CLOSE, CHARLTON MARSHALL

I have received an application from Mackoy Ltd to close THE CLOSE, CHARLTON MARSHALL at its junction with Charlton Mead and Hopegood Close. The closure has been requested to allow Mackoy Ltd to plane off and resurface this junction. These works are programmed to take place on Sunday 21 October 2018 between 09.30hrs and 15.30hrs. The road closure is necessary for safety reasons, as the works will take place within the whole width of the carriageway.

Mackoy Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works and they will carry out a letter drop to local residents directly affected by the works. The following map shows the extent of the closure. Unfortunately, because of the location of the works, there are no alternative routes for those properties affected. However, access will be given when possible, between different phases of the works.

This document is for information only. However, if you have any concerns about this proposal please contact Mackoy Ltd directly on 023 8076 7166, or John Alford (trafficteam@dorsetcc.gov.uk) by Tuesday 02 October 2018.
